

Directions for best results:

1. Print this page.
2. We recommend sticking the print to a piece of cardboard first with glue or something.
3. Now cut the design out of the paper while its stuck to the cardboard. We recommend scissors...but if you have a better idea go for it.
4. Beautify your surroundings by holding it up to anything and spray painting it.

Warning: Don't paint your parents stuff. They wont buy you new 32 boots. HAVE FUN!
